

COMMUNICATING STUDENT LEARNING WITH PARENTS

In Nanaimo Ladysmith Public Schools, we are moving from a model of 'reporting to parents' to 'communicating student learning with parents' on an ongoing basis. We are supporting educators to provide parents with timely and responsive communication of student learning throughout the year, following district policies and procedures. Parents will receive two written reports (Progress Report in January and Summative Report in June) that include descriptive written comments and a summary of student progress. Student progress will be reported in relation to widely held grade level expectations and the Learning Standard's from the New BC Curriculum. Parents will also receive 'Ongoing Communications of Student Learning' a minimum of 3 times per year in each of the core subject areas (Language Arts, Mathematics, Social Studies & Science), that adhere to the following four criteria: includes authentic evidence of learning, explicitly references the Learning Standards, includes student voice, includes descriptive feedback.
